- ❖ Making new friends, improve the language, knowing new cultures.

## Positive aspects

- ❖ Improve your English competence. Learn other languages and new things .Meet new people in your life.
- ❖ The relation with the other countries, learning English and relation with other people improves.
- ❖ The big amount of activities we did, the need to speak English to make you understand and to be always mixed.
- ❖ Learning English, knowing people and other countries.
- ❖ The socialization, the exchange of customs or traditions, and the opportunity to know other places, although I would like it to last longer, and with people from other countries.

## Aspects to improve

- ❖ Some workshops, the food, the time with families.
- ❖ More useful workshops.
- ❖ Make the experience a little bit longer, accept just one city for each country (in order to have more diversity).
- ❖ Selection the people to travel.
- ❖ The organization, the communication between teachers and make sure that people who is going to projects like this have the correct level of English to comunicate with somebody.
- ❖ Making more trips around the city, more countries participating in the project and visitors staying longer in another country.

## Aspects to improve

- ❖ Improve some workshops and have more time to visit places.
- ❖ I think the project was quite short.
- ❖ Activities, organization, schedule.
- ❖ More time to be with the family assigned and less with the people you already are friends with, more organization and more activities to get to know each other.
- ❖ Only some activities.
