

## *Horizon to the Future -project, Getting to know me and my possibilities -workshop*

### DIDACTIC PLAN

#### TASK: GETTING TO KNOW EACH OTHER -BINGO

##### AIMS:

To get to know each other in a lively way.  
To break the ice in the first workshop day.

##### CONTENT OF THIS TASK:

Rules: you interview other students, you try to find out who has done those issues mentioned in a certain box in the Bingo and you try to find as many names to your Bingo as possible. You may not interview students from your school!

After interviewing time we have a mixed-group exercise:

One teacher says the theme of a certain box, for example "who likes animals", and then all those students who like animals form a group. Then teacher can ask extraquestion, for example "what animals do you like" and the group has to talk about this for a little while.

##### TIMING:

Instructions about 15 minutes, interviewing about 30 min, mixed-group-task about 20 min.  
= 65min

##### MATERIALS:

The task have to be copied for everyone in advance.  
A pencil for everyone.

Write down the names of your classmates under the statements that best describe them. Everyone's name must be in the table at least once.

is into fishing	listens to music	collects trading cards
is into skateboarding	collects stickers	likes to bake
writes poetry or short stories	likes Harry Potter	in the summer goes to pick blueberries with grandmother
sings in a choir	reads fantasy novels	knows song lyrics
