Europagymnasium Bitterfeld
Workshop Week 24.10.-28.10.2016

WORKSHOP, SEMINAR or SESSION TITLE:

Communication Workshop 2

AIMS:

- Using a method called "learning by teaching" (one or two german students do the workshops by themselves as "teachers")
- To teach communication theory to students and teachers
- Practical use of theoretical knowledge in roleplay situations

CONTENTS:

- Communication theory: "Four Sides Model of Communication" by Schulz von Thun
- Communication theory: verbal/nonverbal communication, body language
- Practical part: roleplay

ACTIVITIES:

At first a lecture was hold about "Four Sides Model of Communication", body language and verbal/nonverbal communication by two german students. Facts, schemes and information were written on the whiteboard and flipchart.

Then the students had to use this knowledge in roleplay situations. In the end the „teachers“ gave a feedback to the students.
