

DIDACTIC PLAN

Europagymnasium Bitterfeld
Workshop Week 24.10.-28.10.2016

WORKSHOP, SEMINAR or SESSION TITLE:

Communication Workshop 3

AIMS:

- Using a method called "learning by teaching" (one or two german students do the workshops by themselves as "teachers")
- To teach communication theory to students and teachers
- Practical use of theoretical knowledge in roleplay situations

CONTENTS:

- Theory: Communication methods - "Fish Bowl Discussion"
- Practical part: A real "Fish Bowl Discussion"

ACTIVITIES:

At first the "Fish Bowl Discussion" method was explained by a german student: what it is, how to do it and what is important.
Then the students had to use this knowledge: Two groups were built to have a "Fish Bowl Discussion".

TIMING:

¼ hours theory, ¾ hours practice

Material:

whiteboard
flipchart
paper
pen
copies of „observation sheets“
