

DIDACTIC PLAN

Europagymnasium Bitterfeld
Workshop Week 24.10.-28.10.2016

WORKSHOP, SEMINAR or SESSION TITLE:

Presentation and Self Presentation Workshop

AIMS:

- Using a method called "learning by teaching" (a german student does the workshops by himself as a "teacher")
- To teach presentation and self presentation theory to students and teachers
- Practical use of theoretical knowledge in roleplay situations

CONTENTS:

- Theory: presentation methods – free speech, speech with Power Point presentation support, lecture, importance of voice and body language
- Theory: argumentation methods
- Practical part: use the knowledge in a roleplay situation

ACTIVITIES:

At first theoretical methods were explained. Free speech, speech with Power Point presentation support, lecture, voice and body language, argumentation methods: what it is, how to do it/use it successfully and what is important.

Then the students had to use this knowledge: mixed international groups were built to make a convincing speech.

At the end there was time for a feedback.

TIMING:

$\frac{3}{4}$ hours theory, $\frac{3}{4}$ hours practice
