

RESOLVING CONFLICTS: PEER TO PEER MEDIATION

Workshop, seminar or session title:

“Peer to peer mediation”

DIDACTIC PLAN

Aims:

- Learn how to face a conflict among peers.
- Identify mediation as an effective means to solve conflicts peacefully.
- Identify the qualities that a mediator should have.
- Show how we organise our students' mediation team.
- Learn how a mediation process works.

Contents and activities:

In this workshop/seminar we showed how we cope with conflicts among peers. We tried to make the students think about the qualities and skills a mediator should have and consider the effectiveness of the mediation process. We explained how we organise our mediation team of students and how the mediation process work.

At the end of the seminar some students carried out a simulation of conflict mediation.

Timing:

One hour and a half

Resources and materials:

Power Point presentation
