

RESOLVING CONFLICTS: PEER TO PEER MEDIATION

Workshop, seminar or session title:

“Popular Galician games”

DIDACTIC PLAN

Aims:

- Get to know and experience traditional Galician games.
- Interact in diverse motor situations which develop interpersonal skills.
- Promote the use of English in a game/sport context.
- Take part in dancing activities without inhibition.

Contents and activities:

Traditional and popular games:

- “A chave”: three different modes which exist in our community.
- “A comba”: traditional skipping game in groups”.
- “O pano”: popular game.
- Ballroom dances: moves of “merengue” dance (typical dance from South America)

Organization:

We organized four mixed groups (formed by students from the different countries). Some Spanish students explained and direct the different games. After 15-20 minutes, each group had to change the game in order to experience all of them..

Timing:

One hour and a half

Resources and materials:

Staff resources: 8 collaborating students and PE teachers.

Materials:

- Three “Chaves” from different Galician áreas.
- A handkerchief for the game “o pano”.
- Simple and double skipping ropes.
- Sound system.
