

RESOLVING CONFLICTS: PEER TO PEER MEDIATION

Workshop, seminar or session title:

“School environment in our school”

DIDACTIC PLAN

Aims:

- Get to know the school environment situation in our high school, IES Afonso X O Sabio.
- Explain how we cope with conflicts and how we solve them.
- Show the “tools” we have and use to face conflicts.

Contents and activities:

Lecture about the school environment situation in our high school. We introduced some of the staff members who take part in our School Environment Committee.

We showed how we organized this group and the steps we follow when there is a serious conflict in order to find a peaceful solution.

Timing:

One hour and a half

Resources and materials:

Power Point presentation
