

DIDACTIC PLAN

WORKSHOP, SEMINAR or SESSION TITLE:

The sculptures

AIMS:

Represent emotions with the body.
Work by small groups in a collaborative environment.
Recognise the omnipresence of emotions.

CONTENTS:

The intrapersonal dimension: the emotions, the individual response to new challenges, the leadership.
The interpersonal dimension: the emotions in group.

ACTIVITIES:

Make up a group of five.
An sculptor and four bodies which are the material needed for making the sculpture. The student-sculptor has an emotion written in a piece of paper, this emotion will be represented with the four students-bodies.
This activity must be done in silence.
The rest of the class have to guess which emotion is being represented by the four sculptures.

TIMING:

1 hour

MARTA BUTJOSA ROCA
